

Check List for Going Out of Business Permit

Our mission is to serve the public with integrity, innovation, fiscal responsibility, and respect.

Any individual or business that wishes to conduct or advertise a "Fire Sale" or "Going Out of Business Sale", or any liquidation sale, (any sale the public would believe, that upon disposal of all stock of goods on hand, the business will cease and be discontinued) is required by the State of Florida (Florida Statute 559.20) to apply, and purchase a Going Out of Business Permit.

Please include with this application a copy of the proposed advertising, the current Local Business Tax receipt, and a copy of the current inventory, listing goods to be sold. The fee required is \$50.00. If an application is denied, such payment would be retained for the cost of investigating the statements contained in such application, and the applicant.

Prior to the issuance of the permit, all tangible personal property, and real estate taxes, if applicable, must be paid. The permit is valid for a period of not more than 60 consecutive days, counting Sunday, and any legal holiday, following the issuance thereof.

You may refer to the check list below for required documentation and special instructions.
